

Wall: Kit Kat White
284 x 295mm per sheet

KIT KAT COLLECTION

Our architecturally crafted Japanese inspired Kit Kat or Finger Mosaic Tiles are great for small shower niches to statement kitchen feature walls, giving any design the perfect visual centre piece of the home. Finger Mosaics or also known as Kit Kat tiles are renowned for their long and thin appearance adding visual interest without being overpowering. Perfect for adding soft colours into intimate spaces to adding that extra touch of personality with lively blues, and emerald greens colour tones.
