

Floor: Quarzite Bianco 300x600mm

QUARZITE COLLECTION

Quarzite reconstructs the conventional home design, offering their own porcelain interpretation of quartz. Comprising of three shades, Quarzite evokes delicacy and presence through the marbling effect present in this range. The variation of tone worked into each tile prompts a space that is elegant and delivers character. This alluring range is available in sizes 300x600mm and 600x600mm.
