

# TERRE COLLECTION

Terre impresses the spontaneous flaws in the shapes and volumes typically found in clay onto the surfaces.

The three three-dimensional surfaces, in Cotto and Bianco colours, reflect deliberately irregular patterns and a textured rhythm that brings to mind the craft-based quality of hand-made bricks onto the walls.

The full-bodied colours, with natural movements and textured, silky surfaces, transform a space into an intimate place while inspiring words such as earth, warmth and nature.
